You
Are the perfect one
In my life (my life)
You make me happy
So very happy
Don't you know?
Don't you know?
Oh i like it
(ohhhhhh)
I like it
(yeah yeah)
Oh i like it
(i like it, i like it)
I like it
From the first day that we met
I was into you
I couldnt get you off of my mind
Every time i closed my eyes
It's like deja-vu
Seems like i've kissed your lips a thousand times
And when i'm feeling up on your skin so smooth
So many things i know
That i'd like to do
You're the only one who has gotten thru
To the love that's inside
And it feels so right
CHORUS: i like it
All the things you do boy
I like it
When im close to you
I like it
Having someone special
I like it
When that one is you
Don't you know we truly were meant to be
Never felt like this before
Let the world revolve around you and me
Every day
I want you more (ohh yeah)
And when i'm feeling up on your skin so smooth
So many things i know
That i'd like to do

You're the only one who has gotten thru
To the love that's inside
And it feels so right

CHORUS

Do you like it?
When im holding your hand
Do you like it?
When im looking at you
Do you like it?
When i say you're my man
Do you like it?
The way i do
I really really love when you're holding me
I really really love when you're kissing me
Thinking of all the things baby we could do
Ohh i like it
(yeah i like it)

I like

I like it

CHORUS

Do you like it? (ohhhh)
When im holding your hand
Do you like it? (ohhhh)
When im looking at you
Do you like it? (ohhhh)
When i say you're my man
Do you like it? (ohhhh)
The way i do
Do you like it?

I like

I like it

(repeat to fade)

You say you want me
When you don't really know who I am
I don't wanna play no games
So catch me if you can
Didn't work out
The way that you planned
Bragged to your friends
Said you were the man
Now whatcha gonna do
Since your pride is gone
Couldn't get this little girl
Couldn't get this little girl
Now you're crying all alone
I'm not too young
To know
The right things to do
And one of those things
Is not to fall for you

Don't play
Did ya hear me say?
I'm not gonna fall for you
So please just go away
Please just go away
I'm not too young
To know
The right things to do
And one of those things
Is not to fall for you
Don't play
Did ya hear me say?
I'm not gonna fall for you
So please just go away
