Mandy Moore:

All those days watching from the windows  
All those years outside looking in  
All that time never even knowing  
Just how blind I've been  
Now I'm here, blinking in the starlight  
Now I'm here, suddenly I see  
Standing here, it's all so clear  
I'm where I'm meant to be  
And at last I see the light  
And it's like the fog has lifted  
And at last I see the light  
And it's like the sky is new  
And it's warm and real and bright  
And the world has somehow shifted  
All at once everything looks different  
Now that I see you

Zachary Levi:

All those days chasing down a daydream  
All those years living in a blur  
All that time never truly seeing  
Things, the way they were  
Now she's here, shining in the starlight  
Now she's here, suddenly I know  
If she's here it's crystal clear  
I'm where I'm meant to go

Mandy & Zachary:

And at last I see the light

Zachary Levi:

And it's like the fog is lifted

Mandy & Zachary:

And at last I see the light

Mandy Moore:

And it's like the sky is new

Mandy & Zachary:

And it's warm and real and bright  
And the world has somehow shifted  
All at once, everything is different  
Now that I see you  
Now that I see you...
