I try but I can't seem to get myself to think of anything
but you
Your breath on my face your warm, gentle kiss I taste
the truth, I taste the
truth
We know what I came here for
So I won't ask for more

[CHORUS]

I wanna be with you
If only for a night
To be the one who's in your arms to hold you tight
I wanna be with you
There's nothing more to say
There's nothing else I want more than to feel this way
I wanna be with you

So I'll hold you tonight like I would if you were mine to
hold forevermore
And I'll savor each touch that I've wanted so much to
feel before, to feel
before
How beautiful it is
Just to be like this

[CHORUS]

oh, baby
I can't fight this feeling anymore(anymore)
Drives me crazy when I try to(try too)
So call my name and take my hand
Can you make my wish, baby, your
command(command)?
Yeah

[CHORUS]

Oh yeah
I wanna be with you
Wanna be with you, ooo, yeah
I wanna be, I wanna be,

[Repeats]
