I try but I can't seem to get myself
To think of anything
But you
Your breath on my face
Your warm gentle kiss I taste the truth
I taste the truth

We know what I came here for
So I won't ask for more

I wanna be with you
If only for a night
To be the one whose in your arms
Who holds you tight
I wanna be with you
There's nothing more to say
There's nothing else I want more than to feel this way
I wanna be with you (yeah)

So I'll hold you tonite
Like I would if you were mine
To hold forever more
And I'll savor each touch that I wanted
So much to feel before (to feel before)
How beautiful it is
Just to be like this

I wanna be with you
If only for a night
To be the one whose in your arms
Who holds you tight
I wanna be with you
There's nothing more to say
There's nothing else I want more than to feel this way
(I wanna be) I wanna be with you

Oh baby
I can't fight this feeling anymore
It drives me crazy when I try to
So call my name
Take my hand
Make my wish

Baby, your command?

Yeahhh

I wanna be with you

There's nothing more to say

There's nothing else I want more than to feel this way

(I wanna be) I wanna be with you (I wanna be with you)

I wanna be with you

Wanna be with you (Yeahhh)

(I wanna be with you) I wanna be

I wanna be with you

(I wanna be)

(i wanna be)

(I wanna be with you) Yeahh

(I wanna be with you)

I wanna be, I wanna be baby

I wanna be

(I wanna be with you)

I wanna be with you yeah

I wanna be with you

I wanna be with you
