It's gonna be me baby
It's gonna be you baby

Time Ive been patient for so long
How can I pretend to be so strong?
Lookin at you baby
Feeling its true baby
If I'm asking you to hold me tight
then it's gonna be all right

[Chorus] It's gonna be Love
It's gonna be great
It's gonna be more then I can take
It's gonna be free
It's gonna be real
It's gonna change everything I feel
It's gonna be sad
It's gonna be true
It's gonna be me baby
It's gonna be you baby
It's gonna be...Its gonna be Love

Time am i restless or a fool?
How can you pretend to be so cruel?
Maybe it's me baby
Maybe it's true baby
Maybe it's everything we're dreaming of
We waited long enough

[Chorus] Its gonna be Love
It's gonna be great
It's gonna be more then I can take
It's gonna be free
It's gonna be real
It's gonna change everything I feel
It's gonna be sad
It's gonna be true
It's gonna be your the one to do

It's gonna be me baby
It's gonna be you baby

[Backup singers] The sooner you let two hearts beat together

The sooner you'll know this love is forever

[Mandy] It's gonna be love

[Backup Singers] Love needs time now or never

[Mandy] It's gonna be love

[Backup Singers] You really got to believe

[Both] it's gonna be strong enough

[Chorus] It's gonna be Love

It's gonna be great

It's gonna be more than I can take

It's gonna be free

It's gonna be real

It's gonna change everything I feel

It's gonna be sad

It's gonna be true

It's gonna be your the one to do

It's gonna be hard

It's gonna be tough

It's gonna be more than just enough

It's gonna be LOVE

It's gonna be Love

It's gonna be sad

It's gonna be true

It's gonna be me baby

It's gonna be you baby

It's gonna be me baby

It's gonna be you

It's gonna be real

It's gonna be love
