LISTEN TO THE BREEZE

Listen to the breeze

It's telling me

to fly away

listen to the breeze

I don't wanna go

Why-y-y-y?

I don't wanna go

You can't make me leave

Yah-ah-ah

Just listen to the breeze

I'm so scared

Listen to the breeze

You're watching over me

Make it go away

I just wanna stay

I'm so scared

Listen to the breeze

Watching over me

Keeping me insane

I'm looking for the peace

Where is the life I wanna live?

Where is the life?

The life?

Life?

Love and stuff is so messed up

I just wanna live a normal life...

God help me

The breeze is gone...
