Mandy... The sound of your voice is sweet like candy.
There was a time
When I was all alone
Waiting for someone
I could call my own
I closed my eyes and dreamt you
Up all day
My prince of charms would ride up
And we'd fly away
Take me to a place
Where the magic and dreams become true
Take me all the way
Boy I want you to
Lock me in your heart
And throw away the key
Show me love
The way it's supposed to be
Lock me in your heart
And never let me go
I must confess
You are the best
So baby come and take me home
Take me baby, take me away
Spoken:
We'll dance together
And no one can see
With you alone
Is where I wanna be
Chartered territory
We'll discover
You'll always be
My dream lover
Take me to a place,
Where the magic and dreams become true
Take me all the way
Boy I want you to
Lock me in your heart
And throw away the key
Show me love
The way it's supposed to be
Lock me in your heart
And never let me go

Never let me go
You are the best
So baby come and take me home
Lock me
Ooo baby
Oh baby
So baby come and take me
Take me to a place
Where the magic and dreams come true
So real...
Take me all the way
Boy I want you to
Lock me in your heart
And throw away the key
Show me love
The way it's supposed to be
Lock me in your heart
And never let me go
Never let me go...
You are the best
Lock me in your heart
And throw away the key
Show me love
The way it's supposed to be
Lock me in your heart
And never let me go
Never let me go...
You are the best
So baby come and take me...
Take me baby, take me away
