1, 2, 3, 4...

1, 2, 3, 4...

Boy I wanna be where you are
It don't matter if you're near or you're far
You're fillin' my heart
All the way to the top
And it's you...
I'm lovin' for always
Catch me, I'm a shooting star
Make a wish
Close your eyes, cross your heart
Your love is so rare
And I'm glad that you're here in my arms
I'll love you for always
Dreamin' of you tonight
Prayin' that you will be mine
Hopin' you'll be holding me tight
Never ever letting me go
I need you to know...

1, 2, 3, 4...

You came into my life
Made everything go right
So sweet and tenderly
Unlock the love, you've got the key
Oh, I'm so satisfied
This kind of love I just can't hide
I'm gonna love you for always
I'm gonna love you...
Took my heart for a carousel ride
Made it feel what I knew inside
When I'm with you
All that I seem to do is smile
I love you for always
Boy I'm floating on a cloud
Wanna scream and shout it out loud
I found amazing grace--
In your eyes, in your face
I'm in love...
With you for always
Dreamin' of you tonight
Prayin' that you will be mine
Hopin' you'll be holding me tight

Never ever letting me go
I need you to know...
1, 2, 3, 4...
You came into my life
Made everything go right
So sweet and tenderly
Unlock the love, you've got the key
Oh, I'm so satisfied
This kind of love I just can't hide
I'm gonna love you for always
I'm gonna love you for always
I'm gonna love you,
For always it's true
I'm gonna love you for always
I'm gonna love you for always
Love You For Always
So Real
