Somebody told me, they saw you somewhere
Somebody hold me, cause suddenly I'm a little, cold
Well I must be mistaken, you for somebody else
I know you all to well, or do I?

[Chorus:]

I heard you say
We were one and the same
Well wrong again
I could never do those things you did to me
I will be ok
In time you'll fade
Into the nothing that you are
The nothing you are

[Verse]

Somebody sold me, yeah the same old story
Yea yeah, yea yeah
Hadn't you told me, you were there the whole time

Yea yeah, yea yeah

Well I must be mistaken, you for somebody else
I hope you burn in hell, or do I?

[Chorus]

[Verse]

I know your mistakes will hunt you down, eventually
You'll know that when you hit the ground
Your weakness did you in, and delt me out
It's ok, I have the truth on my side

I heard you say
We were one and the same
We'll wrong again
I could never do those things, you, did, to me
I will be ok
In time you'll fade
Into nothing that you are
The nothing you are *[x4]*
