I'm not too young to know  
The right things to do  
And one of those things  
Is not to fall for you  
Boy I don't want no play  
Didn't you hear me say  
I'm not gonna fall for you  
So please just go away  
You say you want me  
When you don't really know who I am  
(I don't wanna play no games)  
So catch me if you can  
Na na na na na na na na na na  
Na na na na na na na na na  
Na na na na na na na na na na  
Na na na na na na na na na  
Didn't work out the way that you planned  
Right to your friends and say that you were the man
