i'll always remember
it was late afternoon
it lasted forever n ended so soon
you we're all by yourself
staring up at a dark gray sky
i was changed
{{{chorous}}} in places no 1 could find all your
feelings so deep inside, was there that i realized that
forever was in your eyes the moment i saw you cry
it was late in september
n i had seen you before
you were always the cold 1
but i was never that sure
you we're all by yourself
staring up at a dark gray sky
i was changed
{{{chorous}}} in places no 1 could find all your
feelings so deep inside, was there that i realized that
forever was in your eyes the moment i saw you cry
i wanted to hold you
i wanted to make it go away
i wanted 2 know you
i wanted to make your everything
i'll always remember it was late afternoon
in places no 1 would fiiiiiiiiind
{{{chorous}}} in places no 1 could find all your
feelings so deep inside, was there that i realized that
forever was in your eyes the moment i saw you cry
baby cryyyyyyyyy
i think i saw you cry
the moment i saw you cry
