(Verse 1)

When the going starts to get rough
And you feel like you've had enough
Let the music take control of your soul
Take a chance and do what you feel
Your voice they cannot live without it
You gotta break the chain

There's a passion inside
And a strength that drives
Can't nobody take that away from you
It's the greatest life
Set the boat on fire when you come alive

(Chorus)

And we're dancin
And it feels all right
I can't control my desire
And we're dancin
And it feels all right
(Yeah)
And we're dancin
And it feels all right
Can't hold me down
Gotta reach for the sky
And we're dancin
And it feels all roght
(Yeah)

(Verse 2)

Some people don't know
the love you present
They contend what they don't understand
It's not your own
You're in a world of your own

(Instrument Solo)

There's a passion inside
And a strength that drives
Can't nobody take that away from you
It's the greatest life
Set the boat on fire when you come alive

(Chorus)

And we're dancin
