Ninety miles outside Chicago
Can't stop driving I don't know why
So many questions, I need an answer
Two years and later, you're still on my mind

Whatever happened to Amelia Earhart?
Who holds the stars up in the sky?
Is true love just once in a lifetime?
Did the captain of the Titanic cry? Oh

Someday we'll know if love can move a mountain
Someday we'll know why the sky is blue
Someday we'll know why I was meant for you

Does anybody know the way to Atlantis?
Or what the wind says when she cries?
I'm speeding by the place that I met you
For the ninety-seventh time tonight

Someday we'll know if love can move a mountain
Someday we'll know why the sky is blue
Someday we'll know why I was meant for you
Yeah, yeah, yeah, yeah

Someday we'll know why Samson loved Delilah
One day I'll go dancing on the moon
Someday you'll know that I was the one for you

Open up the world

I bought a ticket to the end of the rainbow
Watched the stars crash in the sea
If I could ask God just one question
Why aren't you here with me tonight?

Someday we'll know if love can move a mountain
Someday we'll know why the sky is blue
Someday we'll know why I was meant for you
Yeah, yeah, yeah, yeah

Someday we'll know why Samson loved Delilah
One day I'll go dancing on the moon

Someday you'll know that I was the one for you
