It's changin', it keeps changin'  
I see towers where there were trees  
Going all the stillness  
The solitude Georgia

Sundays disappearing all the time  
When things were beautiful

All things are beautiful, mother  
All trees, all towers beautiful  
That tower beautiful  
Mother see a perfect tree

Pretty isn't beautiful, mother  
Pretty is what changes  
Walking high in ranges  
Is what is beautiful

I'm changing, you're changing  
I'll drop now before we fade  
Mother, you watch while I revise the world

Changing as we sit here  
Quiet all, Georgia  
Sundays disappearing as we look, look  
You make it beautiful

Oh Georgia, how I long for the old view
