No more questions, please  
No more tests  
Comes the day you say, 'What for?'  
Please no more

We disappoint, we disappear, we die, but we don't  
They disappoint in turn, I fear  
Forgive, though, they won't

No more riddles  
No more jests  
No more curses you can't undo, left by fathers you  
never knew  
No more quests  
No more feelings. Time to shut the door  
Just No more

Running away, let's do it  
Free from the ties that bind  
No more despair, or burdens to bear  
Out there in the yonder  
Running away, go to it  
Where did you have in mind?  
Have to take care unless there's a 'where'  
You'll only be wandering blind  
Just more questions different kind  
Where are we to go?  
Where are we ever to go?  
Running away, we'll do it  
Why sit around, resigned?  
Trouble is, son, the farther you run  
The more you'll be wandering blind  
For what you have left undone, and more  
What you've left behind  
We disappoint, we leave a mess, we die, but we don't

We disappoint in turn, I guess. Forget, though, we won't  
Like father, like son  
No more giants waging war  
Can't we just pursue our lives, with our children and our  
wives  
'Til that happy day arrives, how do you ignore

All the witches, all the curses  
All the wolves, all the lies, the false hopes, the good-  
bye's  
The reverses  
All the wondering what even worse is still in store  
All the children  
All the giants  
No more
