Sue said she wants me for her man  
Jenny, she loves me for say she can  
Well, Gerry only does it just for fun  
But I think you're gonna be the one

I'm cock-a-hoop (Cook-a-hoop)  
I'm cock-a-hoop (Cock-a-hoop)  
And I feel alright (Alright, alright)  
I feel alright (Alright, alright)

I'm feeling good, so I sing a little song  
All the pretty women come running along  
I'm feeling fine, so I sing it again  
I'm an old rooster and I'm looking for a hen

I'm cock-a-hoop (Cook-a-hoop)  
I'm cock-a-hoop (Cock-a-hoop)  
And I feel alright (Alright, alright)  
I feel alright (Alright, alright)

Look out now!

I'm cock-a-hoop (Cook-a-hoop)  
I'm cock-a-hoop (Cock-a-hoop)  
And I feel alright (Alright, alright)  
I feel alright (Alright, alright)

Look out, look out, it's in your town  
It's called Manfred Mann, and it runs around  
Come on, all you chicks and grown up hens  
It's one Manfred Mann, but it's five men  
1-2-3-4-5!

I'm cock-a-hoop (Cook-a-hoop)  
I'm cock-a-hoop (Cock-a-hoop)  
And I feel alright (Alright, alright)  
I feel alright (Alright, alright)

(Repeat and fade)
