At night - they will think they have seen the sun
When they see the mad half pig man
At night - screams,
battles seen fought in the sky
And beasts will be heard
to speak

CHORUS

Man, man your time is sand
Your ways are lives upon
the seal am the Eyes of Nostradamus
All your ways are
known to me

Driven back - the eagle back around the tents
Will be chased by the other birds
Driven back - with the sound
of cymbals and bells
Will give sense to the senseless
world

CHORUS

Think upon it - all of you who may read this verse
Listen and listen well
Think upon it - barbarians, idiots, fools
stay far away

CHORUS

Oh, I had a dream
I thought I was alone
And the veil of
all the years
Fell from my eyes like a stone

From the ground the seven year child
And a fire will
come to the earth
From the sky at forty-five
degrees
And the stone will crack with the force

CHORUS

Oh, I had a dream
I thought I was alone
And the veil of
all the years
Fell from my eyes like a stone
