She walks thur the corn leading down to the river  
Her hair shone like gold in the hot morning sun  
She took all the love that a poor boy could give her  
And left me to die like a fox on the run

Like a fox (like a fox, like a fox, like a fox) on the run

Everybody knows the reason for the fall  
When woman tempted man down in paradise's hall  
This woman tempted me, then took me for a ride  
But like the lonely fox I need a place to hide

We'll pour a glass of wine to fortify our soul  
We'll talk about the world and friends we used to know  
I see a strange girl she'll put me on the floor  
The game is nearly over the hounds are at my door
