I
I who have nothing - I
I who have no one
Need you and want you so. - I'm just a no one
With nothing to give you but all - I love you.
He
he buys you diamonds - bright
sparkeling diamonds.
But believe me here when I say
That he can give you the world but he'll never love you
The way - I love you.
He can take her any place he want's - to fancy clubs
and restaurants.
You can only watch the way
your eyes and your memory in pain.
I
I who have nothing - I
I who have no one
Watch you go passing by in the arms of somebody else
When you know it's I who loves you.
He can take her any place he want's - to fancy clubs
and restaurants .
I
I who have nothing - I
I who have no one
Watch you go passing by in the arms of somebody else
When you know it's I who loves you.
