I bring joy, and I can take you through,
All those days when people seem to get to you.
I bring joy, and I come here to you.

I bring life, and I can take you where
You can see, and feel, and breathe, and touch the air.
I bring life and I can take you there.

Feelings inside that we keep
Out of sight and out of reach
Bring us to the things we seek

Take your time, remember when you do
There are days when people feel the same as you.
I bring time, and I can take you through

I bring joy...
