The sun is shining from nine until five
Need I tell ya it feels good to be alive
Ah, if he can rule you, fool you

Everyday they'll knock at your door
Need I tell ya they'll say you've broken every law
Ah, they're out to break you, take you for a ride

I'm no better, I'm no worse
(No man's better, no man's worse than any man)
Than any man
(Any man, any man on earth)

They're no better, they're no worse
(No man's better, no man's worse than any man)
Than any man
(Any man, any man on earth)

Everywhere man is in chains
Need I tell ya, he wants his freedom once again
Everywhere he's got his hands tied,
[Incomprehensible]
Ah, they're out to break you, take you for a ride

I'm no better, I'm no worse
(No man's better, no man's worse than any man)
Than any man
(Any man, any man on earth)

They're no better, they're no worse
(No man's better, no man's worse than any man)
Than any man
(Any man, any man on earth)

(No man's better than, no man's worse than any man)
I'm no better
(No man's better, no man's worse than any man)
I'm no worse

(No man's better than, no man's worse than any man)
I'm much better
(No man's better, no man's worse than any man)

I'm much worse

(No man's better than, no man's worse than any man)

I'm much better

(No man's better, no man's worse than any man)

I'm much worse

(No man's better than, no man's worse than any man)

I'm much better, I'm much worse
