Through the night, through the dawn  
Behind you another runner is born  
Don't look back, you've been there  
See the mist as your breath hits the air

And it's underneath the moonlight, passing some  
Still your heart beats in the moonlight like a drum

Through the night, through the dawn  
Behind you another runner is born  
Don't look back, you've been there  
Feel the mist as your breath hits the air

And it's underneath the moonlight, passing some  
Still your heart beats in the moonlight like a drum

And you will run your time, a shooting star across the  
sky  
And you will surely cross the line to pass on the flame

Sun come up, sun go down  
Hear the beat, see the sweat on the ground  
Watch your step, keep your cool  
Though you can't see what's in front of you

And it's underneath the moonlight, passing some  
Still your heart beats in the moonlight like a drum

And you will run your time, a shooting star across the  
sky  
And you will surely cross the line to pass on the flame  
Pass on the flame

Through the night, through the dawn  
Behind you another runner is born  
Don't look back, you've been there  
Feel the mist as your breath hits the air

And it's underneath the moonlight, passing some  
Still your heart beats in the moonlight like a drum

And you will run your time, a shooting star across the

sky  
And you will surely cross the line

And it's underneath the moonlight, passing some  
Still your heart beats in the moonlight like a drum

And you will run your time, a shooting star across the  
sky  
And you will surely cross the line
