What do they do with a man whose Father was a Swazi
What do they do with a man whose Mother was a Zulu
Where do they send him
Where do they send him?

What do they do if that man's grandmother was a Tsonga
Do they send him to Kwazulu, Boputatswana, or Transkei
I ask why
What do they do to a man
They take away his freedom
What do they do to a man
They take away his woman
Where do they send him
Where do they send him
What do they do to a man
They take away his children
Oh, they send him to Kwazulu, Boputatswana, or Transkei
ask why
Amandla, Amandla
Awethu, Awethu
Amandla, Amandla
