Everuwhere you look now - questionnairesThey want
every detail of your affairsOh, so many people
livesWrapped up in house....

CHORUS

Statistics, statistics - figures on a pageStatistics,
statistics - numbers on a tapeZulu, Xhosa,Sotho,
Venda.

Everuwhere you go nowYou're in their sightYes, they
classify youShades of black and whiteOh, so many
peoples livesWrapped up in those....

CHORUS

No chance of going backAnd putting things rightThose
people rule with facts in the nightOh, so many peoples
livesWrapped up in those....

CHORUS

Who are you?Give details.
