Dragons rage outside your door
But I'm on my way to save you
Demons wage unholy war
But I'm on my way to guide you
To guide you

But the demons never need to know
What the demons never got to see
As we fall in and out of line
Stay in touch now for a while

But the demons never got to read
What we never got around to write
As we fall in and out of line
Stay in touch now for a while

Dragons rage outside your door
But I'm on my way to save you
(Ich bin hier um dich zu retten)
I'm on my way to save you
(Ich rette dich)

Demons wage unholy war
But I'm on my way to guide you
(Ich bin hier um dich zu fÃ¼hren)
To guide you
(Dich zu verfÃ¼hren)

But the demons never need to know
What the demons never got to see
As we fall in and out of line
Stay in touch now for a while

But the demons never got to read
What we never got around to write
As we fall in and out of line
Stay in touch now for a while

Denn das, was keiner weiÃ, geht keinen was an
Doch irgendwann ist es an dir
Und was ich will ist nur ein kleiner Teil von dir

Das eine rate und verrät ich dir:
Wenn du dich nicht stellst
Findest du deinen eigenen Dämonen tief in dir
selbst

But the demons never need to know
What the demons never got to see
As we fall in and out of line
Stay in touch now for a while

But the demons never got to read
What we never got around to write
As we fall in and out of line
Stay in touch now for a while

Denn du weißt, dass ich weiß,
Dass du weißt, dass du weißt, mehr als du
weißst
