I'm gonna' break out of the city, leave the people here behind.  
Searching for adventure, it's the kind of life to find.  
Tired of doing  
Day jobs with no thanks for what I do. I know I must be someone, now I'm  
Gonna find out who.  
(chorus)  
Why don't you ask them what they expect from you?  
Why don't you tell  
Them what your gonna do?  
Do anything you wanna do. Do anything you wanna do.  
I don't need no politicians to tell me things I shouldn't be, neither no  
Optician tell what I oughta see. No one tells you nothing even when ou  
Know they know, they tell you what you should be, they don't like to see  
You grow.  
(repeat chorus)  
You get so lonely, maybe it's better that way. It's not you only 'cause  
You got something to say. Do anything you wanna do.  
(repeat chorus)  
(Edwin Hollis/Graham Douglas)
