At night - they will think they have seen the sun  
When they see the mad half pig man  
At night - screams, battles seen fought in the sky  
And beasts will be heard to speak

CHORUS

Man, man your time is sand  
Your ways are lives upon the sea  
I am the Eyes of Nostradamus  
All your ways are known to me  
Driven back - the eagle back around the tents  
Will be chased by the other birds  
Driven back - with the sound of cymbals and bells  
Will give sense to the senseless world

CHORUS

Think upon it - all of you who may read this verse  
Listen and listen well  
Think upon it - barbarians, idiots, fools stay far away

CHORUS

Oh, I had a dream  
I thought I was alone  
And the veil of all the years  
Fell from my eyes like a stone  
From the ground the seven year child  
And a fire will come to the earth  
From the sky at forty-five degrees  
And the stone will crack with the force

CHORUS

Oh, I had a dream  
I thought I was alone  
And the veil of all the years  
Fell from my eyes like a stone
