The tall and the narrow  
The foolish or the shallow  
The ..... or the (sane/Saint)  
The young men .....

I'm gonna have you all  
Gonna tell you what to do  
I'm gonna stand you in a line  
Gonna step on you

The green or the knowing  
The wise or the growing  
The (maker/making?) and the preacher  
The black man and the teacher

I'm gonna have you all  
Gonna tell you what to do  
I'm gonna stand you in a line  
Gonna step on you

The green or the knowing  
The wise or the growing  
The (maker/making?) and the preacher  
The black man and the teacher

I'm gonna have you all  
Gonna tell you what to do  
I'm gonna stand you in a line  
Gonna step on you
