The big bass drum led the big parade  
All on a Mardi Gras Day  
The trombone was playing the tailgate song  
All on a Mardi Gras Day  
The bugler came down playing a bugle call  
All on a Mardi Gras Day  
And all that you could hear the people say  
was, Oh Bah Lea

Everybody now comes .. (in line?)  
All on a Mardi Gras Day  
... are doing the second line  
All on a Mardi Gras Day  
...  
All on a Mardi Gras Day  
And all we're gonna say all night and day  
is, Oh Bah Lea

The world danced down to St. Andrews Street  
All on a Mardi Gras Day  
From Chapitulla south to Magnolia Street  
All on a Mardi Gras Day  
I (espied/spied) the Injuns and ...  
All on a Mardi Gras Day  
And all that you could hear was the people saying  
Oh Bah Lea  
Black Eagles band plays ... Fee-Nah-Nay  
All on a Mardi Gras Day  
And all that you could hear was the people saying  
Oh Bah Lea
