Post office clerk puts up a sign saying "Position Closed"
and secretaries

Turn off typewriters and put on their coats.

Janitors padlock the gates for security guards to patrol
and bachelors phone

Up their friends for a drink while the married ones turn
on a chat show and

They'll all be lonely tonight and lonely tomorrow.

CHORUS:

And Nothing Ever Happens, nothing happens at all, the
needle returns to the

Start of the song and we all sing along like before. And
we'll all be lonely

Tonight and lonely tomorrow.

Telephone exchanges click while there's nobody there,
the Martians could

Land in the car park and no one would care. Closed
circuit cameras in

Department stores shoot the same movie every day
and the stars of these

Films neither die nor get killed, just survive constant
action replay.

Repeat chorus

By five o'clock everything's dead and every third car is
a cab. Ignorant

People sleep in their beds like the doped white mice in
the college lab.

Repeat Chorus
