Crazy Janey and her mission man  
Were back in the alley trading hands  
Along came Wild Billy with his friend Gee Man  
All duded up for Saturday night  
Billy slammed on his coaster brakes, said  
Anybody wanna go to Greasy Lake  
It's a mile down on the dark side of Route 88  
I got a bottle of rose let's try it  
We'll pick up Hazy Davey and Killer Joe and  
I'll take you all out to where the gypsy angels go  
They're built like light and they dance like  
Spirits in the night  
In the night, all night  
Oh you don't know what they can do to you  
Spirits in the night  
In the night, all night  
Stand right up and let them shoot through you

Wild Billy was a crazy cat  
And he shook some dust out of his coon skin cap  
He said try some more of this it'll show you where  
you're at  
Or at least it'll help you to feel it  
By the time we made it up to Greasy Lake  
My head was out the window,  
Janey's fingers were in the cake  
I think I really dug her, I was too loose to fake  
I said I'm hurt she said Honey let's heal it  
And we danced all night to a soul fairy band  
And she kissed me just right  
Like only a lonely angel can  
She felt so nice just as soft as a  
Spirit in the night, all night  
Janey don't know what she do to you  
Spirit in the night, all night  
In the night, all night  
Stand right up and let her shoot through me

How the night was bright and the stars threw light  
On Billy and Davey dancing in the Moonlight  
Down near the water in a stoned mud fight Killer Joe

Passed out on the lawn  
Hazy Davey got really hurt he ran into the lake in just  
His socks and a shirt  
Me and Crazy Janey making love in the dirt  
Singing our birthday songs  
Janey said it was time to go, so we closed our eyes  
And said goodbye to Gypsy Angel Row  
Felt so right together we moved like  
Spirits in the night, all night  
Oh you don't know what they can do to you  
Spirits in the night  
In the night, all night  
Stand right up and let them shoot through you  
Spirits in the night, all night  
Spirits in the night
