Do you remember the last time I said  
If I ever thought of lying I'd rather be dying instead

And maybe you'll remember  
The last time you called me to say we were through  
How it took a million tears just to prove they all were for  
you  
But those days are through

'Cause it wouldn't have made any difference  
If you loved me  
How could you love me  
When it wouldn't really make any difference  
If you really loved me  
You just didn't love me

'Cause I know of hundreds of times I could be  
In the most unfaithful arms that you always picture me  
Well maybe you'll remember  
That though I can't always show proof I was true  
No one else could change my mind or stop me coming  
home to you  
But those days are through

'Cause it wouldn't have made any difference  
If you loved me  
How could you love me  
When it wouldn't really make any difference  
If you really loved me  
You just didn't love me

Enough to believe me  
Enough not to leave me  
Ooh, enough not to look for reason to be unhappy with  
me  
And make me regret ever wanting you

'Cause it wouldn't have made any difference  
If you loved me  
How could you love me  
When it wouldn't really make any difference  
If you really loved me

You just didn't love me
