When I hear this melody
This strange illusion takes over me
Through a tunnel of the mind
Perhaps a present or future time oh, oh
Out of nowhere comes this sound
This melody that keeps spinning 'round & 'round
Pyramidal locomotion
From a mystic unknown zone

Hearin' the twilight
Hearin' the twilight tone

Unpretentious girl from Memphis
Saw the future through her third eye
People came with skepticism
Picking, testing her precision, no, wo, oh, oh
Suddenly they heard this sound
This melody that keeps spinning 'round & 'round
A signpost up ahead is calling
Through the mystic unknown zone

Hearin' the twilight
Twilight swept away, feelin' the rhythm
Hearin' the twilight
Twilight swept away, ba da, loo da, ba da loo da
Hearin' the twilight

Twilight tone

Submitted for your approval. One Mr. Miller, who's
about
to take a trip into oddness and obsolescence, through a
zone whose boundaries are that of imagination.
Accompanying him on this journey is the mesmerizing
sound of the Twilight Tone.

On a cold & rainy night
One Mister Miller had a rare flight
Glen was up there boppin' a rhythm
Then the engine stopped to listen with him
Play that beat, oh, oh
Suddenly he heard this sound

This melody that keeps spinning 'round & 'round
Now he resides and plays trombone
In the mystic unknown zone

Hearin' the twilight
(Ooooooh, twilight)
Hearin' the twilight
(Hearin' the twilight)
