Walk in love, a sandy beach
We're barefoot, we walk in love
A time and place so sacred
Only [unverified] will see the magic we can be

We came, we saw, we fell in love
Two birds as one above
No need to conquer love

We came, we saw, we fell in love
Two birds as one above
No need to conquer love

Talking hands, we walk in silence
But we have talking hands, they speak of feelings
Like our words could never do
My love, I shine for you

We came, we saw, we fell in love
Two birds as one above
No need to conquer love

We came, we saw, we fell in love
Two birds as one above
No need to conquer love

Laugh to laugh, we take our clothes off
Moonlit to love
(To love)
Ooh, to love
(Ooh, to love)

We spread the blanket
Lie down rising with the waves
And falling like a star

We came, we saw, we fell in love
Two birds as one above
No need to conquer love

We came, we saw, we fell in love
Two birds as one above

No need to conquer love
