Who, who ooh ooh ooh oo  
What, woo ooh ooh ooh oo  
Where, woo ooh ooh ooh oo  
Why, tell me why, tell me why? Tell me why?

I don't understand, let's sit down and talk  
One minute you love me and then you walk  
There's more going on than you will admit  
'Cause just as we got it to work you quit

I'm caught in a fog and you make it clear  
The truth won't be worse than the things I fear  
It's a mystery to me I haven't a clue  
If somebody else has a part of you

Tell me who?  
(Who?)  
What, when, where, why?  
(Why?)  
Who is the guy?  
(What?)  
What made you need someone new? Tell me

Who?  
(Who?)  
what when where why  
(Why?)  
When did it die?  
(What?)  
When'd we go wrong don't you lie ? Tell me why  
(What?)

You won't be my love, you won't be my friend  
But won't you at least help me comprehend  
What's happening to me 'cause after you go  
My one consolation will be to know

The places and names, the reason and rhymes  
The facts of the matter and points in time  
I tried for your love but you won't allow  
This guy to do nothin' but ask you how

And who?  
(Who?)  
What, when, where, why?  
(Why?)  
Who is the guy?  
(What?)  
What made you need someone new? Tell me

Who  
(Who)  
what when where why  
(Why)  
When did it die  
(What)  
When'd we go wrong don't you lie? Tell me why  
(What)

I want you to say what's inside your head  
Confession is good for the soul, it's said  
So start at the top and take it real slow  
If you want out, then I have to know

Just who?  
(Who?)  
What, when, where, why?  
(Why?)  
Who is the guy?  
(What?)  
What made you need someone new? Tell me

Who?  
(Who?)  
What, when, where, why?  
(Why?)  
When did it die?  
(What?)  
When'd we go wrong don't you lie? Tell me  
(What?)

Who?  
(Who?)  
What, when, where, why?  
(Why?)  
Who is the guy?  
(What?)  
What made you need someone new? Tell me

Who?  
(Who?)  
What, when, where, why?  
(Why?)

When did it die?  
(What?)  
When'd we go wrong don't you lie ? Tell me  
(What?)

Who?  
(Who?)  
What, when, where, why?  
(Why?)  
Who is the guy?  
(What?)  
What made you need someone new? Tell me

Who?  
(Who?)  
What, when, where, why?  
(Why?)  
When did it die?  
(What?)  
When'd we go wrong don't you lie? Tell me  
(What?)

Who?  
(Who?)  
What, when, where, why?  
(Why?)  
Who is the guy?  
(What?)  
What made you need someone new? Tell me
