Ah, Zindy Lou, ah, Zindy Lou  
(Ooh Zindy Lou, Lou Lou Lou, ooh Zindy Lou)

Zindy Lou was a woman who came from the hills  
And ooh, I taught her she could really thrill Zindy Lou,  
oh Zindy Lou  
(A Lou Lou Lou, ooh Zindy Lou, a Lou Lou Lou, ooh  
Zindy Lou)

She had two great big beautiful eyes  
Zindy Lou was a woman that I idolized Zindy Lou, oh  
Zindy Lou  
(A Lou Lou Lou, ooh Zindy Lou, a Lou Lou Lou, ooh  
Zindy Lou)

A coca-wica-no, a coca-wica-shae  
A coca-wica-no, a coca-wica-shae  
A coca-wica-no, a coca-wica-shae  
A coca-wica-no, a coca-wica-shae  
(Ah, Zindy Lou)

She had black hair and ruby red lips  
And when she walked by I almost flipped, Zindy Lou  
Is it a Lou Lou Lou, ooh Zindy Lou, is it a Lou Lou Lou,  
ooh Zindy Lou  
Is it a Lou Lou Lou, ooh Zindy Lou

When she walked by with a fine fine frame  
Each and every man could call her by name, Zindy Lou  
A Lou Lou Lou, ooh Zindy Lou, a Lou Lou Lou, oh Zindy  
Lou

A coca-wica-no, a coca-wica-shae  
A coca-wica-no, a coca-wica-shae  
A coca-wica-no, a coca-wica-shae  
A coca-wica-no, a coca-wica-shae  
(Ah, Zindy Lou)

Zindy Lou was sweet she sure was fine  
And when she kissed me I lose my mind Zindy Lou, oh  
Zindy Lou  
(A Lou Lou Lou, ooh Zindy Lou, a Lou Lou Lou, ooh

Zindy Lou)

Oh, Zindy Lou

(A Lou Lou Lou, ooh Zindy Lou, a Lou Lou Lou, ooh  
Zindy Lou)

(A Lou Lou Lou, ooh Zindy Lou, a Lou Lou Lou, ooh  
Zindy Lou)

Oh, Zindy Lou

(A coca-wica-no, a coca-wica-shae)

(A coca-wica-no, a coca-wica-shae)

(A coca-wica-no, a coca-wica-shae)

(A coca-wica-no, a coca-wica-shae)

Oh, Zindy Lou

(A coca-wica-no, a coca-wica-shae)

(A coca-wica-no, a coca-wica-shae)

(A coca-wica-no, a coca-wica-shae)

(A coca-wica-no, a coca-wica-shae)

Oh, Zindy Lou

(A coca-wica-no, a coca-wica-shae)

(A coca-wica-no, a coca-wica-shae)

(A coca-wica-no, a coca-wica-shae)

(A coca-wica-no, a coca-wica-shae)

Oh, Zindy Lou

(A coca-wica-no, a coca-wica-shae)

(A coca-wica-no, a coca-wica-shae)

(A coca-wica-no, a coca-wica-shae)

(A coca-wica-no, a coca-wica-shae)
