I (I) fell in love with you the moment we met
Never thought that it could happen and yet
Here we are me and you, so in love
Now (Now) everybody that I know stops and stares
(Everybody, everybody)
Even now they can't believe that you care (wooo)
They're all saying you're just wasting, wasting your
time
Say again boy

A million to one, that's what they said, would be my
chances
A million to one, but I found love here in the warmth of
your arms
Million to one (a million to one) yeah, yeah, yeah,
whoa...

You (you) never missed a way to say I love you
(never missed a way to say I love you)
Funny how a miracle can come true
Here we are side by side, so in love

I (I) gambled with this love of mine from the start
Hoping that IÂ'd find a way to your heart
And I won, they were wrong, to tell me, to tell me, now,
now

A million to one, that's what they said, would be my
chances
A million to one, but I found love here in the warmth of
your arms
A million to one (a million to one) yeah, yeah, yeah,
yeah
Oh baby, baby What IÂ'm gonna do, yeah (a million to
one)
Don't play with my heart (a million to one)
Don't tear it all apart
Oh yeah, yeah, yeah yeah (a million to one) believe me
babyÂ...
