Do woo, do woo, do woo, do woo

Call it what you want
But I call it love
(I call it love)
You can say,
You can say what you want, baby
But I still say it's love
(I say it's love)
You can sing it in a song
(Sing it in a song)
But I still sing out love
Whether right or wrong baby
(You can tell me baby)
I still say it's love
(I say it's love)

(Let it be)
Let it be
(Oh, let it be)
Let it be
I know what's in my heart
(I know what's in my heart)
(I'm the one)
I'm the only one
(The only one)
No, I'm the only one
Who can tell it,
Who can tell it apart

(Infatuation)
You can say it's infatuation
(Ohhh)
But I still say it's like love
(No no no no no no no)
You can laugh,
You can laugh if you wanna baby
(Hop, hop, wooo)
But I still cry out love
(Ahhhh)
Yes, I still say it's love
Baby, baby

(Ahhhh)
Yes it's love
It's got to be love baby,
(Do, wooo)
You know because I feel it
(It's love)
Oh deep down in my bones
(Do, wooo)
It's got to be love, love, love
(It's love)
Love, love
It's got to be love baby, baby
(Do, wooo)
It's got to be real love
