I've been so lonely with out you,  
Can't get you out of my mind,  
Wondering what you been up to all this time, (mmmm)

I heard you been asking about me  
And if I found somebody new  
That's why I called you so late tonight, to talk about  
what we should do

#### Chorus

Cause I'm ready to love you again,  
I'm just waiting to hear you say when  
Now I know I can give you so much more than I ever  
could before,  
Yes I'm ready to love you again, only this time I wont let  
end,  
So turn off the light and hold on tight,  
If you ready to love me again

It's been so long since I saw you,  
Maybe everything's changed  
But I knew I still had to see you, just the same (mmmm)  
Feel that old feeling between us,  
So I'm putting my heart on the line,  
Letting you know that I can't let go,  
Asking to try one more time,

#### Chorus

Cause I'm ready to love you again,  
I'm just waiting to hear you say when,  
Now I know I can give you so much more than I ever  
could before,  
Yes I'm ready to love you again, only this time I wont let  
end,  
So turn off the light and hold on tight,

Cause I'm ready to love you again,  
I'm just waiting to hear you say when,  
Now I know I can give you so much more than I ever  
could before,  
Yes I'm ready to love you again, only this time I wont let

end,  
So turn off the light and hold on tight,  
If you ready to love me again (Yeah)  
Please say when,  
I know I can give you so much more than I ever could  
before

Yeah, yes I'm ready, only this time I won't let end  
So turn off the lights and hold on tight, if you ready to  
love me  
Repeat...
