{This has got to be the saddest day of my life  
I called you here today for a bit of bad news  
I won't be able to see you anymore  
Because of my obligations and the ties that you have  
We've been meeting here everyday  
And since this is our last day together  
I wanna hold you just one more time  
When you turn and walk away, don't look back  
I wanna remember you just like this  
Let's just kiss and say goodbye}

I had to meet you here today  
There's just so many things to say  
Please don't stop me 'till I'm through  
This is somethin' I hate to do

We've been meeting here so long  
I guess what we done, oh was wrong  
Please darlin', don't you cry  
Let's just kiss and say goodbye

Many months have passed us by  
I'm gonna miss you, I can't lie  
I've got ties and so do you  
I just think this is the thing to do

It's gonna hurt me, I can't lie  
Maybe you'll meet, you'll meet another guy  
Understand me, oh won't you try, try, try, try, try,  
try?  
Let's just kiss an' say goodbye

I'm gonna miss you, I can't lie  
Understand me, oh won't you try?  
It's gonna hurt me, I can't lie  
Take my handkerchief an' wipe your eyes  
Maybe you'll find, you'll find another guy  
Well let's kiss and say goodbye, pretty baby  
Please, don't you cry  
Understand me, oh won't you try?  
Let's just kiss and say goodbye
