Navy Blue (Feat Shahan "Kokw" Awan)

Chorus

(Mani Dots) at first I had it all / and now nothing at all /
the evil in our minds / the beauty in this world / the evil
in our minds / the beauty in this world / but when the
sun is rising up / come close it'll burn us up / dead end I
have no clue / it's dark I'm feeling blue-ue / na-vy blue-
ue / blue-ue-ue / I'm feeling navy blue-ue / blue-ue-ue

Bridge

You got me feeling blue, blue, blue, blue, blue-ue-ue-
ue / like the water blue, blue, blue, blue, blue-ue-ue-ue /
the worlds hoping to find us / the moments all remind
of / you-ou-ou-ou, ou-ou-ou, now fuck I'm / blue-ue-ue-
ue / ue-ue-ue / blue-ue-ue-ue /

Verse 1

(Shahan "Koke" Awan) some bonds are meant to stay /
some bonds are meant to break / some shit goes
wrong and things disintegrate / I feel like I'm trapped in
this unwanted place / don't wake/ a sleeping giant /
feel like / I'm made of iron / don't test a leaping giant / I
feel like an angel spread my wings and start flying /
when shit goes wrong I'm in a corner just crying /
sometimes I don't know who the fuck I am / tears
running down my face / don't wanna be in this place / I
don't know what to do / so I'm feeling navy blue / (Mani
Dots) blue

Chorus

Verse 2

The shit I been through / shit I seen it all / I just look in
they eyes I could see through they soul / ima giant / I'm
tryna have it all if not I guess I'm trying / there's a thin
line between relations I applied 'em / I came from the
bottom which I came from the dirt / wore a pair for a
year see the stains on the shirt / I don't talk about guns
but pop off ima merk / I try to stay sane try not to go

bazzurk / I look for the light but I stay in the dark / now I
got heart enough / not to have a heart / not to have a
heart / I wished I had a heart /
