## Rock On

### Chorus

Get on the dance floor show me what you got / and turn  
it up a notch and / rock on / pour a little drink / fuck  
what they think / drink 'til you sink / come on now rock  
on / get a little loose / do what you do / move how you  
move now / rock on / from night to the morn / we can  
get it on / I'll rock out as long as you rock on / I'll rock  
lets roll / get on the floor / take off your clothes / rock  
on lets go / you rock I'll roll / I'll get on the floor / I'll take  
off my clothes / I'll rock on lets go /

### Verse 1

Drama pop in the club motherfucker dead it / proly hit  
'em with a guitar... Jeff Jerrett / stomp 'em in they face  
till they get embedded / put it in their minds that I'm  
hot till they fucking get it / do you get it, get it / they  
can not do shit until I'm with it, with it / tryna live it up  
which I'm living, living / a winner is a winner so I'm  
winning, winning / so forget and dead it / I'm tryna  
party tonight so don't think ima punk / I party all day  
like I came right out the slum / if you making some / I'm  
the one that's making a lump / know me Mani Dots and  
I'm making it jump / and I want you baby with the junk in  
the trunk / you got me going crazy way you making it  
bump / I want MySpace Tom please / its-my-time so  
time please /

### Chorus

### Verse 2

Jaws drop motherfucker when I'm in the spot / you the  
opposite of bands 'cause you never gonna rock / fly  
like the birds you might think we in a flock / and I'm  
sorta like the red light I'm always on the top / little did  
you know ima rockstar bay-bah / if it come to beef ima  
pop star bay-bah / yeah I make ya top drop bay-bah /  
wanna get with me I'll make the drop top bay-bah / and  
I got reach like a boxer bay-bah / and I keep it brief fuck  
boxers bay-bah / and I know my way like a compass /  
but I'm hard to find like the lockness / if you got

questions I got answers / hard English I roll with the  
gang-sters / I'm grown with it I promise / dance floors  
where ya find us so /
