The sun is rising up on the east side  
A chance for everyone  
I've been dreaming of the city for a long time  
Far from my home town  
(You...) I see... (Will see...) My dream...  
(Your dream...) for real... (Come true...)  
(You...) I will... (Will rise...) will rise...  
(Above...) above... (The room...)  
Heart is pure and thoughts are clear (Love, release our  
mind)  
Not going to mess around (You are what you want)  
Mum and Daddy would be so proud (Time is taking lies)  
City please don't let me down (You are what you mean)

Starlight, can you give me the fame (StarÂ... lightÂ...)  
Can you help me hurl me the game, Oh Starlight?  
(HasÂ... what you need)  
Starlight, can you give me the fame (StarÂ... lightÂ...)  
Can you help me hurl me the game, Oh Starlight?  
(HasÂ... what you need)

The time has come for me to be someone  
A rich man, a superstar  
And faith is all we need to be the one  
Far from my own ground  
(You...) I see... (Will see...) my dream...  
(Your dream...) for real... (Come true...)  
(You...) I will... (Will rise...) Will rise...  
(Above...) above... (The room...)  
Heart is pure and thoughts are clear (Love, release our  
mind)  
Not going to mess around (You are what you want)  
Mum and Daddy would be so proud (Time is taking lies)  
City please don't let me down (You are what you mean)

Starlight, can you give me the fame (StarÂ... lightÂ...)  
Can you help me hurl me the game, Oh Starlight?  
(HasÂ... what you need)  
Starlight, can you give me the fame (StarÂ... lightÂ...)  
Can you help me hurl me the game, Oh Starlight?  
(HasÂ... what you need)

(Instrumental)

Starlight, can you give me the fame (StarÂ... lightÂ...)  
Can you help me hurl me the game, Oh Starlight?  
(HasÂ... what you need)

Starlight, can you give me the fame (StarÂ... lightÂ...)  
Can you help me hurl me the game, Oh Starlight?  
(HasÂ... what you need)

And Starlight, can you give me the fame (StarÂ...  
lightÂ...)  
Can you help me hurl me the game, Oh Starlight?  
(HasÂ... what you need)

And Starlight, can you give me the fame (StarÂ...  
lightÂ...)  
Can you help me hurl me the game, Oh Starlight?  
(HasÂ... what you need)

(StarÂ... lightÂ... hasÂ... what you need)
