String of messengers  
Of Southern religion  
In the name of Jesus  
Son of new god

Aim of their pure journey  
Free country  
Plentiful and flowery,  
Czech and Moravian

False mission  
Mendacious Tongues  
Invoking the cripple  
Nailed to the cross

Self-appointed messiahs  
Noninvited saviours  
Love in their words  
More treacherous than a dagger in back

Never performed promises  
Donation - bribes  
Betrayed trust  
Devastated land
