Leave just as you came
without a sound
nothing to ruffle your edge

I've been wandering around
making up movies in my...

all is said
so memorable
let her drive more
I will drive
I already forgot how I
used to feel about you

leave as fast as you came
no imitation
no where to run from here

I've been wandering around
wondering how I got so,
got so,
so fucking boring
all of a sudden
so fucking scared
well I'm not scared

you'd mean so much more to me
you'd mean so much more

if I remembered...
