For your futures sake
I've got advice I'd advise you to take
Don't keep betting
"Well, it's gotta light me up sometime"
You lost your turn
You lost your turn

"All I wanted to be was one of your children
And all I wanted to be was one of yours"

See how clean the water is where you are
Wash off your handcuffs
And know the hidden messages you hear
They aren't real.
You tricked your mind to feel
You tricked your mind to feel
You tricked your mind...

"All I wanted to be was one of your children
And all I wanted to be was one of yours"
Are we even now, are we even now?
We are unrelated, we are unrelated
[x2]

If blood is thicker than water
Then you'll drown quicker than we intended
If blood is thicker than water
And you'll know where you can find us in the end

So we can begin again
So we can begin
[x2]

"All I wanted to be was one of your children
And all I wanted to be was one of yours"
