Bang bang hits me harder than a freight train
This mesmerizing spell running throughout my veins
Bang bang hits me harder than a freight train
Move out or you're next
Move out or you're next

Oh I starve I starve I thirst in here
I've been lost for over twenty years
My shield, armor, and sword have failed

One more one more couldn't really hurt
Just one more of this natural born killer
The serpent's shame becomes a good offer

CHORUS:

Beat the pressure
Ignore your ignorance
Keep composure, fight the addiction
It's been more than forty days
Lord deliver me from this.

And I try; I try to give you up
But it seems that I haven't had enough
To fulfill my lack of amount of love

Bang bang hits me harder than a freight train
This mesmerizing spell running throughout my veins
Bang bang hits me harder than a freight train
Move out or you're next
Move out or you're next
