(music: A. Vandenberg, lyrics: R. Young)

Tell me, tell me can you feel it, go from a whisper to a
scream

The look in your eyes bears a clever disguise
But your touch lets me know what you feel - I know what
you mean, honey

If you let me look inside dear, I won't waste your
precious time, no no

The night holds the answer to your darkest fears
But the pleasures are all in your mind - the pleasure is
in your mind

Solitary passions, all alone dear

Feel the tensions of the world outside, oh yeah

I can see you drowning in your own tears

As you hold on, hold on to your pride

Can you feel it? Tell me can you feel it

Promise I could never steal it, precious moments of a
time

Just hold on to what I'm giving to you, 'cause the truth is
so hard to find

'Cause the truth is so hard to find

Look into my eyes dear, 'cause it's so clear

See the sparks as they turn to flames - yeah yeah

Silence is demise dear, when you're so near

I need an answer, answer, make it clear

Can you feel it? Tell me, can you feel it

(Solo)

Can't you feel that I am searchin', in your heart and in
your mind

If you're ever confused by the words that I use

Just a touch makes it clear everytime

Open up your mind girl, to a new world

It's a feeling I just can't explain

Look into the fusion, no illusion

When you're so near, so clear, it's all the same

Can you feel it? Can you feel it

(Can you feel it?) Can you feel it now now now

(Feel it, feel it) Feel it when the morning comes

(Can you feel it?) Can you feel it now now

(Feel it, feel it) Tell me, tell me

(Can you feel it?) Goes from a whisper to a scream

(Can you feel it, feel it) Yeah in your eyes
(Can you feel it?) It's a clever disguise
(Can you feel it?) Can you feel it?
