(A. Vandenberg)

Just a human being, I've had more than enough
Feelin' like a punchin' bag, feeling pretty rough
I can't hide, I can't hide, I can't hide anymore what I
feel inside

Can't take it any longer, can't take it anymore
The feeling's getting stronger, just gotta let it go (just
gotta let it go)

I knew where I was going, I knew where I had been (I
knew where I had been)

Now it feels I'm swimming, swimming upstream

Chorus:

Can't hold it, hold it, gotta let it go, gotta let it go

Can't hold it, hold it, gotta let it go

Feeling like I'm keepin' all torn up inside

Life has got you running, but you just can't hide

I'm free, I'm free, I'm free from the bondage of reality

Things that I believe in, things that I respect (things that
I respect)

Seem to lose their meaning, vanish in the mess
(chorus)

Can't hold it, hold it, gotta let it go

Just a human being, I've had more than enough

I'm feelin' like a punchin' bag, feeling pretty rough

I can't hide, I can't hide, I can't hide anymore what I
feel inside

Used to have direction, used to have my goals

Ain't no satisfaction, in running into walls

(chorus repeats 2x)

Gotta let it go, gotta let it go
