Yeah hit the kick drum  
And count me in  
We crank the system and we play to win  
The hearts of others as we ignite  
This propaganda like it's dynamite

And oh, we come together like a massive brigade  
And oh, this little ripple turns into a tidal wave  
And oh, light up the match and pour on the gasoline  
And oh, make it explosive and throw in the TNT

Let's make it epic  
I'm sick and tired of sitting on the bench,  
Wanna play the game  
Let's make it epic  
I'm sick and tired of sitting on the bench,  
Wanna play the game  
Just wanna play the game  
Making it, making it epic

Light up the city  
We shine so bright  
It looks like noon but it's still midnight  
Make it colossal  
'Cause we're obsessed  
Like an epidemic that's contagious

And oh, we come together like a massive brigade  
And oh, this little ripple turns into a tidal wave  
And oh, light up the match and pour on the gasoline  
And oh, make it explosive and throw in the TNT

Let's make it epic  
I'm sick and tired of sitting on the bench,  
Wanna play the game  
Let's make it epic  
I'm sick and tired of sitting on the bench,  
Wanna play the game  
Just wanna play the game  
Making it, making it epic [x3]

Just wanna play the game [x4]

Let's make it epic  
I'm sick and tired of sitting on the bench,  
Wanna play the game  
Let's make it epic  
I'm sick and tired of sitting on the bench,  
Wanna play the game  
Just wanna play the game  
Just wanna play the game  
Just wanna play the game
